MEMBER'S COMMENTS

Mr. C.T. Cowling suggested to the members that meet with Chris Schrantz and Mary Cover for a personal briefing on the financials. He also pointed out that the individual members have no authority to operate the airport or to make operational decisions; the members of the Authority board must work together as an appointed body to set policy and see that airport employees are managing operations competently.

ADJOURNMENT There being no further business, the meeting was adjourned.

Kevin Beethoven Vice-Chairman
